## EXPERIENCE

### **Solution Arts, Venice, CA — Freelance *Graphic Designer***

March 23, 2017 - Present

Working as an on-demand designer, I specialize in logo & brand design, website designs, and color palettes.

### **SUNY Polytechnic Institute, Utica, NY — *Office Assistant***

August 28, 2014 - May 07, 2015

Worked in the student life office logging student club activity, assisting the secretary in greeting students, directing phone calls, and helping the office staff in various tasks.

### **Theatre Arts Production Co. , Bronx, NY — *Technical Assistant***

September 20, 2009 - June 26, 2016

Worked as the assistant of the Technology Administrator. I assisted in various tasks regarding serial archiving, computer and system maintenance, computer repairs, computer set up and preparation, inventory management, and managing teams of students.

### **CVS Pharmacy, Bronxville, NY — *Front Store / Rx Associate***

December 4, 2018 - Current

Working as a front store and Rx associate at store 106 in Bronxville. In the front I ring up customers, stock shelves, manage inventory, and receive and unload truck deliveries. While in Rx I work at the pharmacy filling prescriptions, ringing them up, and helping the Pharmacist however possible.

## EDUCATION

### **SUNY Polytechnic IT , Utica, NY — *Bachelor's Degree***

August 2013 - May 2016

Here I achieved my Bachelor's Degree of science in Communication & Information Design.

## Achievements

Due to my hard work & dedication, I was granted the opportunity to partake in Lehman College's College Now program. Because of this, my studies at SUNY Poly were shortened by a full semester.
